

Division Plan for Level **GREEN** Pandemic Planning

Grades Kindergarten to Grade 12

*subject to change based on public health guidance**

Details	Level Green – Limited Risk
<p>K-12 Education</p>	<ul style="list-style-type: none"> • In class learning resumes for all Kindergarten - 12 students. • School-based child care centres will continue with regular operations. • School buses may operate at normal capacity, with enhanced sanitization and other measures as advised by public health officials. <ul style="list-style-type: none"> • Directives from Manitoba Education and guidelines approved by public health officials will provide any additional guidance. • More detailed practice guidance and protocols are available on the Manitoba Education website.
<p>Limited Risk (Green) Pandemic Response - The spread of COVID-19 is broadly contained. Vaccine and/or effective treatment for COVID-19 are available.</p>	
<p>Public Health Guidance</p>	<ul style="list-style-type: none"> • The spread of COVID-19 is broadly contained in Manitoba. • Transmission of the virus is at very low to undetectable levels. • A vaccine and effective treatment are available. • There may be single or isolated small cluster outbreaks which are quickly contained. • Community transmission is low to undetectable. • There is sufficient health system capacity. <p><u>Range of Response Measures</u></p> <ul style="list-style-type: none"> • Normal enhanced hygiene recommended. No additional extraordinary public health measures required.

Recommendations for ALL Levels...

At all levels, all Manitobans should follow these public health fundamentals.

- Always stay at home when you're sick, even if mildly ill.
- Enhanced personal hygiene, including:
 - regular and thorough handwashing;
 - covering your nose and mouth with tissue or sleeve when coughing or sneezing;
 - avoid sharing food or drinks; and,
 - avoid touching your face.
- People at higher risk of complications due to COVID-19 to take extra precautions and avoid closed spaces, crowded places and close contact settings.
- Manitobans should wear masks in indoor settings where social distancing is not possible.
- People with COVID-19 symptoms may contact Health Links – Info Santé for testing directions or go directly to a designated site to get tested.
