

Parkview School ESD Plan

The staff at Parkview School has discussed previous ESD goals and has also created 3 new goals for the 2021-2022 school year.

Current sustainability practices that are occurring in our building include (previous goals):

- ✓ Each student was given their own water bottle to use
- ✓ School purchased a set of dishes, cups and cutlery to use instead of paper/plastic plates, cups and cutlery
- ✓ Each classroom received their own set of student whiteboards and markers

Goals for the 2021-2022 School Year

Expected Outcome	Strategies	Indicators	Data Collection
Social Justice	Participate in Operation Christmas Child in November (If possible) Truth and Reconciliation day: "Orange shirt day" Afternoon activities (Sept. 29) Cross-curricular connections: embracing diversity Rain barrel project: Riding mountain or Colony. Highway/ colony clean up Monarch butterfly kits for each class High school students volunteering in other classrooms	The number of students participating.
