Day 10–June 12, 2025 - 9:00am to 3:30pm

### **Place: Band room in Ste. Rose School**

The objective of this project is to have our children learn the necessary pre-reading, numeracy, and social skills in a relaxed and entertaining environment and to lay the foundation for positive school experiences in the future. (This program will not replace nursery school, but will enhance it. We will be working closely with the nursery school teachers in each community.)
