NOTES:

- ❖ Calculator Recommendation (if needed):
 - “Sharp EL531XTWH 273 Function 10-Digit Scientific Calculator”
 - Link: <https://www.staples.ca/products/2807813-en-sharp-el531xtwh-273-function-10-digit-scientific-calculator-white?listId=search>
 - Please Note: Sharp is user-friendly, featuring a clear two-line display and intuitive button layout, which can enhance the learning experience. If this specific model is unavailable, something similar would work as well.
- ❖ Geometry Set should include a ruler, protractor, and a compass
